

COVID-19 Preventative Measures

The Seabrook Island Club team is committed to providing our members, guests, and employees with experiences that are both high quality and safe, adhering to the various regulations and recommendation set forth by government officials. In order to do this we need the kind cooperation and support of everyone by adhering to social distancing and sanitation guidelines. As the season progresses some policies and practices may change. We ask for your patience during this challenging time as we all learn to live, work, and play in new ways.
