

SILGA

(Seabrook Island Ladies Golf Association)

Whether you are new to the game of golf or an experienced golfer, whether you live here full or part time, consider joining SILGA:

SILGA is dedicated to helping women golfers - regardless of whether you play 9 or 18 holes - enjoy this wonderful pastime, meet other lady golfers and build lasting friendships.

- **Monday FUNDAY afternoon games** offer a casual 18-hole play where you can make your own foursome or let the Pro Shop do it for you. Great way to get to know other golfers. Excellent way to work toward getting a handicap if you don't already have one.
- **Wednesday CHALLENGE mornings** offer a variety of individual and team games for those who like to compete. Weekly games rotate with foursomes playing in groups of like handicaps or with foursomes of various handicaps (ABCD).
- **Thursday CHIX WITH STIX afternoon games** offer a casual 9-hole play where you can select who you want to play with or have the Pro Shop pair you with other golfers.
- **Mentoring Program** - Helps to gain more confidence in playing golf in competitive games. Regardless of handicap, this program is for members who want to gain confidence in golf etiquette, pace of play, course management, and knowledge of golf rules in real time situations.
- **Buddy Program** – The idea is to have a pal to play with, someone who helps the less experienced golfer “learn the ropes” – and become more comfortable and confident playing with other golfers. The “buddy” would provide the practice opportunity, companionship and networking less experienced golfers need in order to improve.

Want to become a new member? Stop by the Pro Shop located on the first floor of the Island House, pick up our **2021 SILGA Member Booklet** and ask about joining SILGA. Then you'll be able to enjoy all of the events detailed above, as well as receive **Weekly News eBlast** emails to learn about tournaments, winners and upcoming events.

I'd love to talk to you and answer your questions!!!
